- 9) The proposal involves increase in the per-
manent expenditure to the extent of more than
Rs.1200 per annum, with of course a corresponding
reduction in temporary establishment, and a pro-

6) The proposal involves no additional expenditure, but only the conversion of an item of expenditure hitherto treated as temporary into a permanent one. As the temporary charge is part of the present standard of expenditure of the group 'Protection' which is within the amount of assignment - fixed and annual - plus the departmental receipts, it is not possible to furnish a certificate in the form ^{prescribed} ~~presented~~ by Government Order No. 726779-828 dated 13th May 18 E.F. 39-17-1. Nor does such a certificate appear necessary in cases of this kind. The group 'Protection' ^{already} has less than its minimum balance, but ^{the} ~~its~~ present position in this respect will not be rendered worse by the proposed conversion of Temporary into Permanent Establishment.
